**Sol Calero**

Title

***Casa Anacaona***

Location

**Folkestone Harbour Arm**

17

Sol Calero is inspired by people and places across the world. Look at the colours and textures on the structure and discuss what you think inspired her.

Make yourself comfortable and sketch the view from the artwork. Think about how this scene may have inspired Sol Calero's furniture.

Walk along the seafront and look out for objects washed-up on the shore. Where did these objects come from? How has their journey changed them?

**Lubaina Himid**

Title

***Jelly Mould Pavilion***

Location

**Folkestone Seafront**

18

Have a good walk around the whole of the pavilion, sit inside it and look up.

Lubaina Himid's artworks are inspired by stories of Black people in history.

Find a stone, shell or object from the beach and make up a story about how it travelled to Folkestone.

Sit in the pavilion and share your story with your friends.

Draw a picture to go with your story.
